# Website Planning Document

Title: Weathermech

Author: Bradley Hodges

Site Purpose: Purpose of this site is to display and provide accurate weather information, such as conditions, warnings and events for the three following cities of Franklin, Greenville, and Springfield

Target Audience: The target audience will be for residents living in the listed cities above or for travelers/tourists visiting that city of all ages and genders who need to know the weather and its conditions

Site Map:

Color Scheme:

Typography: The one and only font that will be used in the Weathermech site will be the 'Playfair Display' font, with a back up of serif in case other web browsers won't support the selected font. Below is the source code and the characters

```
<style>
@import url('https://fonts.googleapis.com/css?family=Playfair+Display');
</style>

font-family: 'Playfair Display', serif;
```
